

malka spigel maya newman

Although two names are given there is in fact only one artist. Two names are given because she is a cross-discipline artist with a history in two artforms under different names. **Maya** the visual artist & **Malka** the musician.

The pictures you see are shot with a 35mm **Lomo Kompact Automatic** and are mainly double exposures. They form part of a vast body of work which is best connected to via her website - www.mayanewman.com -

As a result of her online popularity she has had exhibitions in Strasbourg, Tel Aviv and London this year with one upcoming in Calgary, Canada. To find out more about Malka the musician go to her band's website - www.githead.com
